### Protect Yourself from Scams

This time of year we see more scams affecting our members. Here are some tips to protect yourself from the fraudsters.

- Be alert to the fact that scams exist.
- Know who you are dealing with.
- Choose your passwords carefully.
- Be wary of unusual payment requests (i.e., gift cards).
- Don't respond to phone calls about your computer asking for remote access—hang up!!
- DO NOT OPEN suspicious texts or pop-up windows.
- DO NOT click on links or attachments in emails or text messages—delete them.
- Review your privacy & security setting on social media.
- Keep your mobile devices & computers secure.
- Be careful when shopping online.
- Read reviews of a website if it's a first time purchase.
