Getting set up for Text Banking is easy! You can enroll as many mobile phones as you wish. Enrolling a phone means you can send messages to It's Me 247 Text Banking and receive information about the accounts under this membership. If you have more than one membership at the credit union, the nickname you define here will help you tell them apart.

**Step 1 - Assign a Membership Nickname**

Please assign a nickname for Text Banking to use with this membership. This nickname will be used by Text Banking in place of your account number, and is especially important if you have more than one credit union membership. This nickname represents the entire membership, including all of the individual accounts. (Note: This nickname will be used only by Text Banking, and is different from the Username you use to log in or any account nicknames you've set up for your individual account suffixes.)
